With That I ask with Deep Respect of The Constitution and The position of a Honorable federal judge To act upon The Sanction motion That I have Submitted to The Court and Respond with action to The following 2 Elements.

ELEMENT # 1. On May 27, 2005 The Defendants Reply To answering All Interrogatories is That They object to answer vague ambiguous and incapable of meaningful Responses, and irrelevant to case of Curry v Gregory Hopkins CA. No. 04-175-KAJ which completely ignores The order That was given on 5-17-85 from Honorable judge Kent A. Jord To Supply The plaintiff with answers and The full Discussion Clearly understood By all parties That The interrogatories are Relevant.

ELEMENT # 2. (A) The Defendants written Response To plaintiff Interrogatories questions Show Rejected for irrelevant concerning The Death of Reginald Hannah Beaten By 3 Dover Police officers in March of 2001, (B) A different lawsuit is filed against Dover Police Dept and Gregory Hopkins on May 3, 2001 By 2001 PLAINTIFF REGINALD JENKINS, then on JANUARY 13, 2004 The same officers Gregory Hopkins strike as in "Idiots, Relevent"
